

## SEEDS LIST JANUARY 2019

### NOTES:

- 1 - To order the seeds please visit [www.seedscactus.com](http://www.seedscactus.com) and browse the species list on the left column. Choose your favourite seeds and add them to the cart, then complete the purchasing process.
- 2 - If you prefer to order by item number, just send an email to [info@seedscactus.com](mailto:info@seedscactus.com) listing your favourite seeds number as it is displayed on the first column ("COD.") of this sheet. We will then tell you the total amount, shipping cost and payment informations.
- 3 - Accepted and secure payment methods are Paypal, Credit card and Bank wire.
- 4 - Shipping and packaging costs depend on your country of residence and parcel weight. If you perform an online order, they are clearly indicated in your shopping cart summary; if you order by item number, they are calculated and told to you before payment. They start from EUR 2.55 (Italy), EUR 3.95 (EU), EUR 4.95 (America), EUR 5.95 (Asia).
- 5 - The price displayed is for a 15 seeds packet or a 30 seeds packet (if available) unless otherwise stated. The symbol # means a 10 seeds packet. The symbol § means a 5 seeds packet. The symbol + means a 50 seeds packet.
- 6 - Please note that we actually don't sell CITES I seeds outside EU.
- 7 - **We guarantee that all seeds are absolutely fresh as they have been collected during last growing season.**
